Perfectly Normal Summers Day

Author's Note:

Hey, this is my first smut fanfic, requests are welcome although no promises will be made.

Constructive criticism is welcome.

It was an ordinary Summers day.

Max had the idea of, instead of going to the overcrowded public pool, to go to Lovers Lake.

Lovers Lake had practically no one going there since the public pool, but since it was so hot, so overcrowded and full of strangers while you were half-naked that The Party decided to go to the lake instead.

Mike had been eying Will for the most part. Will had come in dark blue trunks and, in Mike's opinion, looked *hot as fuck*.

Mike was sitting by the edge of the lake, not quite ready to go in and feel the cold wash of cool water. Max, El and Will were playing piggy in the middle, for Max had taken a beach ball from when she was in California. Lucas and Dustin were playing Marco Polo.

Mike kicked his feet effortlessly in the shallows.

"Mike!", Mike looked up. It was Max, she was wearing a black bikini.

“Yeah?” Mike replied, prying his eyes off of Will and looking towards Max. “Come join!”.

Mike sighed and slipped into the water, he swam over to the girls and Will.

“We were wonder-ing if you’d like to sun bathe with us!”. El spoke this time, Mike guessed that she parted the word ‘wondering’ to make it easier to say. She was still learning. “Max already has the towels!”, “Um, yeah, sure!” Mike replied, thinking about being able to lay next to a half-naked Will Byers.

The four teens all clambered out of the water. Max got her backpack and got three towels. “I could only fit three in, so two of you will have to share.”, “I don’t mind sharing.” Will said brightly. “I’ll share with you, Will.” Mike quickly said, eager to get closer to Will. Max quickly set up the towels and Will layed down on half of a pastel blue one, Mike following soon after that.

The four watched as Lucas and Dustin play-fighted in the water, Mike taking notice on their butts swaying back and forth. He felt a strain on his trunks and quickly turned to his side so that no one could see his erect dick. Will looked towards Mike, rolled over to his side and leaned on his elbow. “You ok?” He asked. “Y-Yeah! Uhm, I just-“ Will rolled Mike over so that he faced him, seeing Mike’s hard-on. “Oh.” Will whispered.

Upon seeing Mike’s hard-on, Will’s dick started to swell up, now half-hard. “Hey guys?” Max said, noticing the sudden quietness between them. The two boys didn’t have enough time to cover up before Max had crawled over, her ass exposed to El. She saw Mike and Will’s boners. “Holy shit!” She exclaimed, half laughing. “What?” Dustin

said, head swivelling to look at Max, Mike and Will. "Byers and Wheeler both have boners!" She laughed again.

Not long after that, everyone had crowded around. Will buried his head in his hands, his erect cock now at its full 5 and a half inches. "Will, gotta be honest, you have a pretty huge dick." Max commented, sounding impressed. Will chuckled lightly, but it didn't stop the blushing mess that he had become. Mike was putting his head down in shame.

"Hey... I have an idea...." Max looked around at El, Lucas and Dustin mischievously, a huge, malevolent grin on her face. "Why don't we get rid of their boners." Both Mike and Will looked up, Will subtracting his hands from his face in no time, turning his entire body to see Max and the rest.

El and Max shared glances for a second or two, the same look in their eye. "Besides, I'm already pretty wet from seeing their dicks all hard and out in the open... shame that these annoying fabrics get in the way....". Mike and Will locked eye contact. "Would you be ok if I suck on Will's dick, Lucas?" Max looked at her boyfriend. "Ok... but only if you suck mine first!".

Dustin sat in silence. "Why don't we all have a... sixsome! Or a hexome!" He finally said. "Hey yeah!" El was the last to speak. Max had recently told her the concept of sex. "Wait, but who's going to blow Will when you're blowing Lucas?" She asked innocently. Max looked around the group, and looked at Dustin. Dustin shook his head vigorously, so she looked again. She then had an idea.

"What if Mike or Lucas blow Will, *while* being blown themselves?", "Ew, no. That's kinda gay." Lucas refused. Max rolled her eyes and

turned to face Mike, Will sitting by his side. “You ok with that?” Mike slowly nodded, he had already dreamed of giving head to Will, or the other way round. When masturbating, he had always stuck one or two fingers in his mouth, but this was the real thing, much longer. Mike already knew that he wouldn’t be able to stick the entire five and a half inches in his mouth, but he still was willing to try.

Then, Will spoke up. “Um, why doesn’t Mike just uhm... jerk me off...?”. Mike nodded again, trying to hide his disappointment. “Hey, what should I do?” Dustin then questioned. “Why don’t you... suck both mine and El’s pussies?” Max suggested. Dustin then nodded, eager to get his lips around on his ex-crush’s pussy.

“Ok, me, El, Will, Mike and Lucas, need to strip — Dustin, you can if you want.”. Dustin pulled down his trunks to reveal his seven inch dick, already hard. “Well you’ve gotten me beat.” Will laughed at the sight of it. “Dude, why does everyone in this group of nerds have such huge dicks!?” Lucas commented, “Mine’s seven and a half!”, “Well that makes me feel like the odd one out, I’m four.”, “It doesn’t matter the size, guys.” El said, that made everyone fall silent.

The boys all pulled off their trunks, El pulled off her swimming costume and Max pulled her bikini piece by piece, revealing her huge breasts and throwing her clothes in the pile with everyone else’s. Mike turned doggy-style to face Will. He felt El wrap her lips around his tip. He bit his lip from moaning. He laid his chest down to see Will’s dick and placed his hands onto it. Will was breathing quite heavily. Mike looked up to Will to see his smile, eyes begging for it. Mike started to move his hands down Will’s shaft.

El groaned around Mike’s dick to give him more pleasure, vibrations sending through Mike’s entire body; “A-Ahhhh~” Mike whined long and loudly. “F-Fuck El, d-don’t - ah - stop!” El giggled at this. The

giggles soon turned into hush gasps. Dustin seemed to have spat on two of his fingers and started to slowly rub on her cilt. He proceeded to lock his lips with Max's dripping pussy.

"Mmm, yeah Dustin!" Max grinded her pussy right against Dustin's face. Max had to get her lips off of Lucas's shaft to talk, a mistake it seemed, because Lucas slammed her head back on his cock, leaving Max a spluttering mess. "Holy shit Max, I'm so sorry!" Max just laughed it off and continued deep-throating him, she knew not to dirty talk while giving head to Lucas.

Meanwhile, Mike started to want — no, *need* — to incase his crush's boner with his soft lips. Pre-cum was dripping out of the Byers boys tip like crazy. "Mmmikeee~". The angelic noise that was coming out from Will drove Mike insane. The paladin lightly kissed the cleric's shaft and moaned partly at the taste and partly at El going rabid at his dick.

Max lifted herself off of Lucas's veiny cock, "Ok guys, now let's switch positions. Lucas, Will, you better do something this time. So, I'm supposed to suck Will off, Dustin, you deserve a treat, you can have both Will and El suck you, if you're ok with that Byers," The cleric nodded. "ok, then we can have Mike fuck me, vaginal, ok?" Mike nodded. "And Lucas, you can either suck El's clit or finger her, or tongue her, I guess."

Granted, Mike was a little disappointed that he wouldn't have a role with Will, but they were still a person away, maybe if he was lucky enough, he could sneak Will a handjob. Licking his lips at the idea, he sat down onto his knees. "Hey, Max, can you do the same Mike did with me and just jerk me? I'm just not entirely comfortable... maybe in the future?" Will said. "Yeah, yeah! That's fine Will, oh, also, if anyone else is uncomfortable, speak up." Everyone stayed

silent until Mike uttered a couple words, “Max... after this I’m not gonna do any other vaginal sex... at least today, I mean.”, “That’s ok! So I’m guessing that we’re all agreeing we will do this again?” There were a series of *yup* ’s, *yes* ’s and *yeah* ’s.

Dustin outstretched his legs, “Hey sluts, this huge boner isn’t going away anytime soon?” He noted to Will and El, who maliciously grinned at each other, they knew exactly what they were going to do.

El layed on her stomach while Will laid on his back so that Max could easily give him a handjob. Mike got right behind Max until she slapped his hand away and said; “Hey idiot, you need to suck it first and give it some foreplay, otherwise that’s gonna come out *hard*.”, “Right, sorry-“.

The rest of the party members smiled at this while Lucas lined his mouth with El’s folds. Mike mirrored Lucas’s actions as he was not quite sure what to do, he didn’t rent the straight pornos, but dressed in all black, covering his face and trying to mimic a high-pitched, girly voice when getting gay pornos from the very back of Family Video. That was one of the many reasons why he didn’t know how to get a girl ready, suck a pussy, handle boobs or any other heterosexual position. Mike tried his best and used all Max, Lucas and El as a guide, seeing how Max reacts, what Lucas was doing and seeing how El reacted made Mike into a decently skilled pussy sucker.

“Hey, when I said that this hard-on wasn’t going away anytime soon, I meant- OHHHH FUCKKKKK!” Dustin suddenly moaned so hard that a couple birds flew off the nearby trees. Mike looked over Max’s round butt to see Will and El molesting Dustin’s rod with sloppy kisses, long licks and hard sucks. Dustin’s screams could be heard from a mile away. “AHHHH, SHIT, SHIT, SHIT, SHIT, GUYSSSS!” Will and El didn’t stop no matter what.

Max let go of Will's cock to swap it with Mike's. She started to deepthroat Mike. "M-Max- what are you doing?" Mike questioned. "You've done enough getting me ready, I just need to lube you up now," Max sucked for a couple more seconds. "Ok, now I'm ready." Max turned again, curled her fingers back around Will's shaft and breathed in. "Go". Mike lined his four inch with Max's hole. "O-Ok, ok... uhm...." Mike whispered to himself, then hesitantly pushed his solid mass into Max. "Ok, just like that." Max encouraged him. Mike went a little deeper and slowly started to thrust in and out.

"W-Will... E-El.... I'm gonna- I'm gonna- mhhmm...." Mike peered over to see burst after burst of creamy white liquid pouring from Dustin's spasming penis. After seeing this, Lucas wanted to make El go over the edge too. About five seconds later, a hot slick tongue entered the most sensitive part of El's body. "Ahhhhh~" She whined out. Max started to go ape-shit towards Will's cock and ordered Mike to start fucking her as hard as possible. Mike did so and pounded hard into Max's hole.

"Uhhh~ yesssss, I'm about to cummmmm~", Max made a low groan as she stopped the grip on Will's cock and completely shut down, squirting right onto Mike's dick that was still buried deep inside her. The feeling of Max's pussy juices sent Mike over the edge as he shot the most enormous load he had ever shot straight into Max's womb, making a girlish cry. Exhausted, he slipped his worn out cock out of Max. Everything was so intense that Lucas felt the familiar knot in his stomach and, for the first time ever, cummed hands free.

It was only Will that was left to cum. Everyone looked towards him and Mike now realised that Will's entire face was covered in what seemed like Dustin's seed. Everyone but the cleric locked eye contact and silently agreed. Everyone pounced on him and started to lash out on every part of Will's body.

Mike looked up to Will right before he lowered his mouth onto the boy's cock. Will slowly nodded, allowing Mike to finally, *finally* taste his cock. Lucas snapped out of his "ew that's gay" phase and tongue fucked Will's ass. Max and El sucked both the cleric's nipples, finally, there was Dustin, who had his seven-inch stuffed into Will's awaiting mouth.

After what felt like years, Will finally ejaculated his load as well as a series of faint whimpers. Mike couldn't swallow all the Byers's semen fast enough and so he let go and got his first ever facial. Max, El, Dustin and Lucas all let go of Will while Mike clambered up to Will's lap, grinding their hips together and then suddenly kissing Will, then frenching one another and then turning into a sloppy mess of making out with them exchanging Will's and Dustin's sperm.

After a couple of minutes, where the rest of the party calmed down and Mike and Will's kisses went from a salty taste to sweet pecks on the cheeks and foreheads, they all agreed that they were to get themselves clean from the lake water and go home, one thing they promised, however, that they'd definitely do this again.
